Advocating for Globeville residents, businesses and property owners through the implementation of the Globeville Neighborhood Plan and the GES Health Impact Assessment

Welcome!

It's an exciting and crucial time for Globeville, a historic community in Mayor Hancock's ambitious North Denver Cornerstone Collaborative (NDCC), "Corridor of Opportunity."

Right now, Globeville residents and businesses have an unprecedented opportunity to shape the future of our historic neighborhood. Dating back to 1889, Globeville was built from a rich diversity of people with proud cultural roots and significant industries that continue to benefit greater metro Denver and beyond.

Right now, change is fast upon us. As a Registered Neighborhood Organization, Globeville Civic Partners (GCP) proactively addresses many significant issues that are currently impacting the viability of residential areas, businesses, schools, churches and organizations in the community.

I invite you to join Globeville Civic Partners. Through our collective efforts we can create and ensure a **Unique, Strong, Connected and Healthy Globeville** for all.

Sincerely,

Nancy Grandys-Jones
President, Globeville Civic Partners

Benefits of Membership

- Email updates about Denver development proposals, plans and programs
- Contact opportunities to meet and speak directly with city officials
- Networking among GCP community and business members and through GCP membership in the Elyria, Swansea, Globeville Business Association (ESGBA) and Inter-Neighborhood Cooperation (INC)
- Recognition on the GCP website
- Access to the website with links to community resources, events, meetings, etc.
- Invitation to the Annual Meeting and other sponsored events
